ORDER

GEORGE B. DANIELS, District Judge:

Defendants' letter request to modify this Court's order dated May 24, 2011 and certify this matter for interlocutory appeal is DENIED. Defendants have not shown that the Court's decision involves a controlling question of law as to which there is a substantial ground for difference of opinion nor that an immediate appeal from the order may materially advance the ultimate termination of the litigation pursuant to 28 U.S.C. 1292(b).

Dated: June 15, 2010  
New York, New York

SO ORDERED:
